

MTX Monitor Series combines form, function, quality, and price to deliver uncompromising performance that anyone can afford. Engineered to provide "timbre-matched" voicing regardless of enclosure size or configuration, each speaker will maintain a character of sound that is consistent with others in the series.

MTX Monitor Dual 6-1/2" 2-Way Tower Speaker

The Monitor 600i from MTX is a power-packed tower that offers accurate sound and exceptional imaging. Two 6-1/2" polypropylene woofers sandwich a 19 mm PEI dome tweeter in a D'Appolito array. This design reduces unwanted sound reflections from floors and ceilings for a more accurate soundstage. Plus, with the dual woofers in a common, vented enclosure, the Monitor 600i has lower frequency extension, higher power handling, and higher efficiency than a single woofer speaker.

Specifications: • Power handling: 150W RMS • Frequency response: 33-20,000 Hz • Sensitivity: 92 dB 2.83V/1m • Dimensions: 35-5/8" H x 9" W x 11-7/8" D • Sold individually.

#302-016 \$199.95 LIST **\$149.87** EACH

MTX MPP4200 On-Wall Plasma Speaker

- Complements flat panel displays
- On-wall mounting

Specifications: • Woofer: two 4" glass fiber cones • Tweeter: Teteron dome • Power handling: 100 watts RMS/200 watts max • Impedance: 8 ohms • Frequency response: 105-20,000 Hz • SPL: 88 dB 2.83V/1m • Dimensions: 25" H x 5-1/4" W x 3-3/4" D • Sold individually.

Part #	Color	Price (1-4)	Price (5-UP)
302-021	Black	\$249.95	\$222.64
302-023	Silver	249.95	222.64

MTX Monitor Dual 6-1/2" 2-Way Bookshelf

As one of four models in the Monitor series, the Monitor 60i is a power-packed bookshelf that is a great addition to any high performance system. The Monitor 60i produces superior sound quality from a surprisingly small size. Two 6-1/2" polypropylene woofers with rubber surrounds and a 19 mm PEI dome tweeter arranged in a D'Appolito array. With the dual woofers in a common, vented enclosure, the Monitor 60i has a much lower bass extension, higher power handling, and higher efficiency than single woofer bookshelf speakers.

Specifications: • Power handling: 100W RMS • Frequency response: 42-20,000 Hz • Sensitivity: 92 dB 2.83V/1m • Dimensions: 17-5/8" H x 7-1/2" W x 11-7/8" D • Sold in pairs.

#302-017 \$259.95 LIST **\$199.87** PAIR

MTX Monitor Dual 6-1/2" Center Channel

MTX's Monitor 6C is a top performing center channel speaker designed to complete any home theater. Two polypropylene 6-1/2" woofers and a 19 mm PEI dome tweeter enhance this center channel's frequency response and sound clarity to provide exact sound reproduction and a realistic performance. The Monitor 6C features magnetic shielding of all drivers to allow the speaker to be placed in close proximity to video equipment.

Specifications: • Power handling: 100W RMS • Frequency response: 63-20,000 Hz • Sensitivity: 92 dB 2.83V/1m • Dimensions: 7-1/2" H x 17-5/8" W x 8" D • Sold individually.

#302-018 \$129.95 LIST **\$99.87** EACH

MTX Monitor 5-1/4" 2-Way Bookshelf Speaker Pair

MTX's Monitor 5i will surprise you with a sound that is larger than what would be expected from a speaker this size. A ported enclosure design squeezes out every last drop of bass from the 5-1/4" polypropylene woofer. Incredible imaging results from the use of a 1/2" balanced dome tweeter.

Specifications: • Power handling: 100W RMS • Impedance: 8 ohms • Frequency response: 48-20,000 Hz • Sensitivity: 88 dB 2.83V/1m • Dimensions: 10-1/2" H x 6-1/2" W x 8-1/2" D • Sold in pairs.

#302-019 \$99.95 LIST **\$59.87** PAIR

Home Theater Speakers

MTX Audio's MPP Multi-Purpose Plasma speakers are optimized for use in home theater yet were engineered to handle extreme outdoor weather conditions. The materials were selected to minimize the effects of damp conditions: aluminum grills, solid brass hardware with rubber surrounds, and glass fiber woofer cones.

Specifications: • Woofer material: glass fiber • Tweeter material: Teteron • Impedance: 8 ohms • Sensitivity: >83 dB.

MPP410: • Dimensions: 8-1/2" H x 4-13/16" W x 5" D

MPP4100: • Dimensions: 15" H x 5-1/4" W x 4-1/2" D

MPP420: • Dimensions: 12-11/16" H x 4-13/16" W x 5" D

MPP520: • Dimensions: 14-1/4" H x 6-5/8" W x 6" D

MTX Dual 5" 2-Way Home Theater Speaker

6 piece home theater system with powered subwoofer. As shown, the silver satellites have supplied optional brackets for mounting to walls. Impedance and sensitivity specs are for satellite and center channel speakers. Subwoofer has speaker level inputs, line level inputs, adjustable lowpass crossover frequency, and LED power indicator.

Satellite Speakers:

• Midrange: 3" paper cone • Tweeter: 1/2" balanced dome • Power handling: 75 watts RMS/150 watts max • Impedance: 8 ohms • Frequency Response: 150-20,000 Hz • SPL: 85 dB 2.83V/1m • Dimensions: Center: 4-1/8" H x 9-11/16" W x 3-7/8" D; Satellites: 6" H x 4-1/8" W x 4-1/8" D.

Subwoofer: • Woofer: 8" high-excursion • Amp power: 120 watts peak music • Frequency response: 50-150 Hz • Enclosure: tuned port design • Dimensions: 13-3/4" H x 10" W x 13-3/16" D.
