Sanus LC1A LCD/Plasma 30" - 55" Black Ceiling Mount with Adapters

- Universal mounting pattern
- Allows for unlimited TV placement
- Solid heavy-gauge steel construction
- Virtual Axis provides easy tilt, swivel, and roll adjustments

The VisionMount LC1A is a tilt and swivel ceiling mount for large flat-panel TVs. This mount is a great choice for space-saving corner placement or where wall mounting is not an option. Sanus Systems' Virtual Axis technology allows the mount to tilt up and down with the touch of a finger, and a unique wire management channel conceals and routes cables from ceiling to TV. This mount includes ceiling adapter plates for wood joist or solid surface ceilings as well as two pipe lengths for multiple configurations. Universal mounting brackets fit virtually any flat-panel TV from 30" to 55" and up to 175 lbs.

Specifications: • TV size: 30"-50" • Tilt range: +15°, -5° • Swivel range: ±90° • Roll range: ±6° • Max supported weight: 130 lbs. • Mounting pattern: universal • Dimensions: 46" H x 29-1/2" W x 10-1/4" D.

#185-485 \$349.99 LIST **\$299.98** EACH

Sanus VMAV A/V Component Wall Mounts

- Supports up to 45 lbs.
- Cushioned mounting arms protect and stabilize equipment

Sleek and stylish, the VisionMount VMAV is a unique mounting system for AV components up to 45 lbs. Dimensions: 9" H x 14-1/2" W x 17-1/4" D.

#185-530 (Silver)

#185-532 (Black) \$39.99 LIST **\$34.10** EACH

Sanus VMUC1S LCD 9" - 17" Under Cabinet Mount

- Perfect for kitchen LCD installations
- Solid heavy-gauge steel offers strength and reliability
- Swivel and tilt adjustments for viewing from any angle

Specifications: • TV size: 9" - 17" • Tilt range: +10° -90° • Swivel range: ±55° • Max supported weight: 15 lbs. • Mounting pattern: 100 mm x 100 mm • Dimensions: 1-3/4" H x 5-1/2" W x 9-1/2" D.

Smarter Speaker Supports

- Supports up to 50 lbs.
- Easy swivel and tilt adjustability
- Glass fiber reinforced

The Smarter Speaker Support is an ingenious swivel support that is twice as strong, easier to install, and simpler to adjust than competing speaker supports. Smarter, because it holds the speaker on the wall at exactly the angle you want. Adjust the speaker support by swiveling or tilting to the correct angle with just two hands! The Smarter Speaker Support utilizes ultra strong, glass fiber reinforced nylon to support speakers up to 50 lbs. Includes installation instructions. Sold in pairs. Black. Made in Canada.

#240-710 \$39.95 LIST **\$29.65** (1-3) **\$27.80** (4-UP)

X-Treem TV Wall Mounts with Tilt

X-Treem Mounts are ideal for extreme applications. Capable of holding LCD or Plasma televisions from 10" - 23" and weighing up to 45 pounds or 23" - 46" and weighing up to 110 pounds this mount won't let you down. Manufactured from 1-1/2" OD aluminum tube and powder coated for a lifetime of use. These X-Treem mounts rotate 180° at the monitor, 360° at the mid-section and 180° at the wall allowing you to store virtually flat against the wall. Tilt the monitor ±12° to get the perfect viewing angle. The 182-030 features the Quik-Fix mounting bracket system that makes installation much more easy than other mounts. Tilt Adjustment: ±12°.
