### Middle Atlantic Rotating Slide-Out Shelving Systems

Slide-out and rotating shelving systems from Middle Atlantic are designed for smaller home entertainment centers. A rotating, slide-out (up to 18-3/4"), 18-1/4" wide shelf system on glide rails is mounted to a fixed base that mounts into your cabinet space. Also included are easy index self-leveling shelves, and a standard locking trim panel. Overall depth of each shelving system is 18-1/4"; 200 lb. weight capacity.

Part #	Mfg. #	Overall Height	# Shelves	List Price	Price Each
262-480	ASR-30	30"	4	\$637.88	<b>\$414.62</b>
262-482	ASR-36	36"	5	693.04	<b>450.33</b>
262-484	ASR-42	42"	6	866.30	<b>563.08</b>
262-486	ASR-48	48"	7	916.80	<b>595.92</b>

### Middle Atlantic Rotating Slide-Out Base Systems

Middle Atlantic's rotating slide-out base systems provide easy access to the rear of home audio and video equipment including DVD players, satellite receivers, amplifiers, and video game consoles. Two glide rails permanently mount into your cabinet area and connect to a base that extends 13" (REB14) and 17" (REB18) respectively. Once extended, the base rotates 60° for simple electronic component installation and adjustment. 75 lbs. of equipment may be stacked on the base without over stressing the glide rails.

Designed from the installer's point of view.

Part #	Mfg. #	Dimensions	List Price	Price Each
262-488	REB14	2" H x 17.13" W x 15" D	\$220.64	<b>\$143.46</b>
262-490	REB18	2" H x 17.13" W x 19" D	267.41	<b>173.80</b>
