Power Protection

Safeguard your home theater, computer, and appliances with Tripp Lite professional quality protection.

Tripp Lite SMART1000LCD SmartPro UPS 1000VA 500W 8 Outlets

- 1000VA/1kVA line interactive tower UPS
- Maintains 120V nominal output over an input range of 89 to 132V
- Large backlit LCD input display rotates for upright visibility in shelf or tower placement
- Workstation/media-center optimized features supported via USB port
- Coaxial surge suppression, single line TEL/DSL surge suppression and four surge-only outlets

NEW

Tripp Lite's SMART1000LCD Line-Interactive Digital UPS System offers voltage regulation, surge suppression and long-lasting battery support for personal computers, network workstations, home entertainment systems and media centers. Internal UPS circuits support entry-level PCs for up to 60 minutes or individual VCR/DVR component for as long as 3 hours during power failures. PowerAlert software available via free download from www.tripplite.com. HID-compliant USB interface enables full integration with built-in power management and auto shutdown features of Windows and Mac OS X. Built-in single-line RJ11 phone suppression jacks protect modem, satellite receiver or other peripherals with a standard dialup/DSL phone connection. Set of 2.2 GHz coaxial jacks protect against surges entering on CATV, satellite or broadcast antenna connections. Built-in audible alarm and large LCD front panel voltage display indicates line power status, battery power status, battery low/replace status and voltage boost operation. Offers 3 minutes battery runtime with a full load of 1000VA/500W and 9 minutes with a half load of 500VA/250W.

RS1215 Rackmount Power Strip:

- Connect up to 12 devices (6 front and 6 rear)
- 15 ft. heavy duty power cord
- Illuminated power switch
- 15A circuit breaker
- Dimensions: 1-3/4" x 19" x 4-1/2"

- \$10,000 Ultimate Lifetime Insurance
- Dimensions: 1-3/4" x 19" x 4"

LCR-2400 Line Conditioner:

- 4 levels of voltage correction
- Advanced Isobar circuitry
- 14 outlets supply up to 2,400 watts of clean 120 volt AC power
- \$25,000 Ultimate Lifetime Insurance
- 2-year product warranty
- Dimensions: 5-1/4" x 19" x 5"

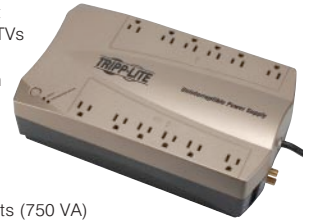

IBAR-12 Rackmount Isobar:

- Convenient 1 rackspace unit
- 12 outlets provide for audio/visual gear
- Two isolated filter banks

Tripp Lite HT850UPS UPS System

- Up to 3 hours of battery backup support
- Necessity for projectors and projection TVs
- \$100,000 Lifetime Insurance
- 400 joules of complete power protection
- 12 widely-spaced outlets (6 with 450 watts UPS protection)
- USB port with PowerAlert turns PC off automatically

Specifications: • Output capacity: 450 watts (750 VA) • 12 outlets (6 UPS protected) • Dimensions: 4" H x 12" W x 7" D.

#125-022 \$249.99 LIST **\$154.38** EACH

Tripp Lite HT10DBS Home Theater Power Bar

- Provides premium protection (3570 joules)
- 10 outlets, 3 coaxial lines, 2 RJ11 ports, and 2 RJ45 ports are protected
- Exclusive isolated filter banks eliminate noise interference between components
- \$500,000 Ultimate Lifetime Insurance coverage with Data Recovery Warranty

Specifications: • Output capacity: 1,440 watts • AC suppression: 3570 joules • AC suppression response time: <1 nanosecond • Clamping voltage: 140V RMS • EMI/RFI filtering: up to 60 dB • Dimensions: 14-1/4" L x 2-1/4" W x 3-11/16" D.
