Cables & Adapters

Audio cables should not add to, subtract from, or change the original signal in any way. Dayton Audio digital and analog cables are designed to pass the original signal as cleanly as possible, and do so at a price that beats the competition.

Dayton Audio Coaxial Digital Cables

- 24k gold plated connectors
- Interference rejection shielding
- True 75 ohm impedance
- Rubber grip on connection

Dayton Audio digital coaxial cables deliver a superior surround sound signal. Designed with a nominal 75 ohm impedance, anti-corrosion gold plated terminals, and an overall RFI/EMI rejecting foil shield.

| Part # | Mfg. # | Length | List Price | Price (1-9) | Price (10-UP) |
|---------|---------|-----------|------------|---------------|---------------|
| 181-622 | CDC-1.5 | 1-1/2 ft. | \$12.99 | \$9.28 | \$8.83 |
| 181-624 | CDC-3 | 3 ft. | 12.99 | 9.63 | 9.17 |
| 181-626 | CDC-6 | 6 ft. | 12.99 | 9.91 | 9.43 |
| 181-628 | CDC-12 | 12 ft. | 15.99 | 12.08 | 11.50 |
| 181-629 | CDC-25 | 25 ft. | 25.99 | 19.40 | 18.48 |

Dayton Audio Digital Optical Cables

Digital optical cables transmit ones and zeros to your home theater receiver's digital signal processor for decoding to surround sound formats. Inferior cables induce jitter which causes lost bits of information. Dayton Audio optical cables were designed with tight tolerances to maintain signal integrity; signal in is signal out. Precision Toslink™ connectors lock snugly into any optical input socket for a worry-free connection.

| Part # | Mfg. # | Length | List Price | Price (1-3) | Price (4-UP) |
|---------|---------|-----------|------------|---------------|---------------|
| 180-945 | ODC-1.5 | 1-1/2 ft. | \$34.99 | \$8.25 | \$7.86 |
| 180-946 | ODC-3 | 3 ft. | 14.99 | 10.42 | 9.93 |
| 180-948 | ODC-6 | 6 ft. | 16.99 | 12.30 | 11.71 |
| 180-950 | ODC-12 | 12 ft. | 21.99 | 16.24 | 15.47 |
| 180-949 | ODC-25 | 25 ft. | 34.99 | 24.49 | 23.32 |

Dayton Audio Glass Optical Cables

- Highest grade of pure glass
- Precision polished non-keyed Toslink™ connectors

Each Dayton Audio glass optical cable is carefully engineered with the highest grade of pure glass fiber. Maximum light is delivered to your signal processor with less jitter than standard plastic optical cables. Each cable contains 65 highly polished glass fibers for the least amount of signal loss possible. Precision Toslink™ tips are gold plated for durability provides the highest bit transfer rate possible. Completely compatible with all Toslink™ sockets.

| Part # | Mfg. # | Length | List Price | Price (1-3) | Price (4-UP) |
|---------|---------|-----------|------------|----------------|----------------|
| 180-951 | GOC-1.5 | 1-1/2 ft. | \$34.99 | \$26.25 | \$24.99 |
| 180-952 | GOC-3 | 3 ft. | 45.99 | 35.05 | 33.38 |
| 180-954 | GOC-6 | 6 ft. | 59.99 | 45.51 | 43.34 |
| 180-956 | GOC-12 | 12 ft. | 82.99 | 63.68 | 60.65 |

Dayton Audio 3.5 mm Cables

3.5 mm stereo audio cables from Dayton Audio feature 24k gold plated connectors for corrosion resistance and full cable shielding for maximum RFI and EMI rejection.

| Part # | Mfg. # | Length | List Price | Price (1-3) | Price (4-UP) |
|---------|----------|--------|------------|---------------|---------------|
| 181-711 | 3.5SC-3 | 3 ft. | \$12.99 | \$9.78 | \$9.32 |
| 181-713 | 3.5SC-6 | 6 ft. | 13.99 | 10.50 | 10.00 |
| 181-717 | 3.5SC-12 | 12 ft. | 16.99 | 12.92 | 12.31 |

Dayton Audio Speaker Cables

Features: • Precision machined banana connectors with 8 expanded segments to assure a reliable connection • 24k gold plating provides a non-corrosive, high conductive connection for superb signal transfer • Braided protective jacket protects cable from abrasion and reduces drag when routing to equipment • Tightly twisted 12 AWG conductors reduce inductance and improve low level resolution • OFC (oxygen free copper) passes the purest signal path and produces extreme clarity and crisp detail.

Note: Two cables per package. The 181-606 and 181-607 are single cables for center channel speaker connection.

| Part # | Mfg. # | Length | List Price | Price (1-9) | Price (10-UP) |
|---------|--------|----------------------------------|------------|----------------|----------------|
| 181-605 | SCP-6 | 6 ft., pair | \$44.99 | \$32.77 | \$31.20 |
| 181-600 | SCP-10 | 10 ft., pair | 65.99 | 47.18 | 44.92 |
| 181-602 | SCP-15 | 15 ft., pair | 71.99 | 50.98 | 48.55 |
| 181-604 | SCP-20 | 20 ft., pair | 83.99 | 58.21 | 55.44 |
| 181-601 | SCP-35 | 35ft., pair | 98.99 | 75.75 | 72.14 |
| 181-607 | SCC-6 | 6 ft., ea. (for center channel) | 30.99 | 22.25 | 21.20 |
| 181-606 | SCC-10 | 10 ft., ea. (for center channel) | 35.99 | 25.26 | 24.07 |

Dayton Audio RCA Cables

Analog audio is much more complicated than digital audio. Dayton Audio RCA audio cables maintain signal integrity through the use of extensive shielding to reject EMI and RFI, as well as 24k gold plated connectors to minimize corrosion for pure signal transfer.

| Part # | Mfg. # | Length | List Price | Price (1-9) | Price (10-UP) |
|---------|---------|-----------|------------|----------------|----------------|
| 181-650 | RCA-1.5 | 1-1/2 ft. | \$17.99 | \$13.33 | \$12.69 |
| 181-652 | RCA-3 | 3 ft. | 18.99 | 14.15 | 13.47 |
| 181-654 | RCA-6 | 6 ft. | 20.99 | 15.89 | 15.13 |
| 181-656 | RCA-12 | 12 ft. | 23.99 | 18.24 | 17.37 |
| 181-657 | RCA-25 | 25 ft. | 41.99 | 31.61 | 30.10 |

Dayton Audio RCA "Y" Adapters

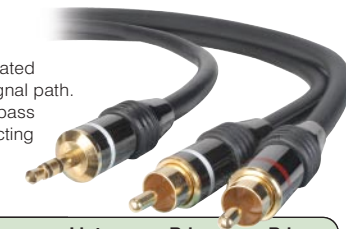

"Y" adapters are great problem solvers for when you have two outputs that need to feed a single input or vice versa. Each adapter is 11" long.

| Part # | Mfg. # | Description | List Price | Price (1-9) | Price (10-UP) |
|---------|----------|----------------------------|------------|----------------|----------------|
| 181-690 | RCAY-FMM | 1 female RCA to 2 male RCA | \$15.99 | \$11.79 | \$11.22 |
| 181-692 | RCAY-MFF | 1 male RCA to 2 female RCA | 14.99 | 11.22 | 10.74 |

Dayton Audio 3.5 mm Stereo Male to RCA Audio Cables

Dayton Audio 3.5 mm stereo male to RCA audio cables feature 24k gold plated connectors that provide a superior signal path. Exceptional dynamics and improved bass response will be noticed when connecting your iPod® or MP3 player to a receiver.

| Part # | Mfg. # | Length | List Price | Price (1-3) | Price (4-UP) |
|---------|------------|-----------|------------|----------------|----------------|
| 181-590 | 3.5RCA-1.5 | 1-1/2 ft. | \$15.99 | \$12.10 | \$11.53 |
| 181-591 | 3.5RCA-3 | 3 ft. | 16.99 | 13.06 | 12.44 |
| 181-592 | 3.5RCA-6 | 6 ft. | 18.99 | 14.49 | 13.80 |
| 181-593 | 3.5RCA-9 | 9 ft. | 20.99 | 15.48 | 14.74 |
| 181-594 | 3.5RCA-12 | 12 ft. | 23.99 | 18.07 | 17.21 |
