

S-Video In-Line Adapter

4-pin S-connector jack to 4 pin S-connector jack.
Joins together two S-Video cables with male plugs.

#180-127 \$3.95 (1-9) \$3.45 (10-UP)

Component Video Cables

Component video provides three discrete paths for better picture clarity than composite and S-Video signals. 1080i compatible.

Part #	Length	Price (1-3)	Price (4-UP)
181-712	3 ft.	\$7.80	\$7.50
181-714	6 ft.	11.70	10.95
181-716	10 ft.	14.80	13.95
181-718	15 ft.	19.40	18.25
181-719	25 ft.	29.50	27.35

VGA to RGBHV (5 BNC) Video Cables

Designed to be used with monitors, projectors, HDTVs, or other video equipment that require an HD signal and a separate horizontal and vertical sync. Constructed of high quality 75 ohm mini coax to provide the best image possible, and terminated with gold plated pins for years of trouble-free use. Features the patented RF-Block™ to reduce RF interference.

Part #	Description	List Price	Price (1-3)	Price (4-UP)
181-720	1 ft.	\$20.99	\$14.93	\$12.60
181-721	6 ft.	29.99	20.94	18.84

CL2-Rated In-Wall Digital Coaxial/ Subwoofer Audio Cables

- 24k gold plated RCA connectors minimize corrosion
- Copper-braided shielding for maximum EMI and RFI rejection
- 99.999% pure copper center conductor
- Provides maximum transmission of digital audio and subwoofer signals
- CL2 rated for permanent in-wall installations

Part #	Length	List Price	Price (1-3)	Price (4-UP)
240-182	3 ft.	\$6.99	\$5.35	\$4.95
240-184	6 ft.	7.99	5.64	5.13
240-186	12 ft.	8.99	6.80	6.18
240-188	25 ft.	15.99	11.67	10.61
240-190	50 ft.	22.99	17.69	16.08

Optical Cables

Value priced optical cable interconnects for A/V equipment with digital input and output Toslink connection.

Part #	Length	List Price	Price (1-3)	Price (4-99)	Price (100-UP)
180-940	3 ft.	\$5.99	\$3.25	\$2.80	\$2.35
180-942	6 ft.	7.99	3.90	3.50	2.90
180-944	12 ft.	9.99	5.90	5.50	5.34

Toslink Fiber Optic Digital Audio Cables

- Heavy-duty 8 mm jacket protects cable from damage and provides strain relief
- Precision polished fiber tips for maximum signal transfer
- Toslink connectors that are guaranteed to fit any Toslink socket
- Connector tip protectors included

Note: Prior to installation, remove plastic tip protectors.

Part #	Length	List Price	Price (1-3)	Price (4-UP)
181-040	1.5 ft.	\$6.99	\$4.96	\$4.45
181-042	3 ft.	9.99	5.25	4.82
181-044	6 ft.	11.99	7.25	6.55
181-046	12 ft.	14.99	7.98	7.25
181-048	25 ft.	18.99	12.48	11.99
181-050	35 ft.	24.99	15.44	13.95
181-052	50 ft.	29.99	18.92	16.57
181-054	75 ft.	39.99	31.38	28.53
181-056	100 ft.	55.99	41.50	37.73

Home Audio / Video

Cables & Adapters

Dayton Audio USB Sound Adapter with Mic and Headphone Jacks

- USB 2.0 compatible
- Volume control with mute
- Microphone/record input and headphone/computer speaker output
- Plug and play, no software required

NEW

#180-963 \$24.99 LIST \$18.99 (1-3) \$18.08 (4-UP)

Opti-Glow Optical Cables

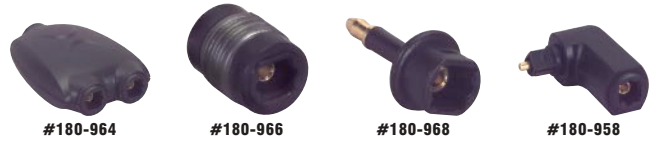

This connector is non-keyed so no matter how you have it turned it snaps into the Toslink jack. It makes it extremely easy when connecting cables behind crowded systems. The Opti-Glow feature is a clear circular ring on the end that glows when there is a signal present, visually indicating that you have a reliable connection.

Part #	Length	List Price	Price (1-3)	Price (4-UP)
180-982	3 ft.	\$4.99	\$3.92	\$3.27
180-984	6 ft.	5.99	4.75	4.25
180-986	12 ft.	6.99	5.85	4.95

Optical Adapters

Stuck in a tight spot, these adapters allow you to adapt your Toslink cable to work with your application.

Part #	Description	Price (1-3)	Price (4-UP)
180-964	Splitter	\$6.57	\$6.15
180-966	Coupler	1.95	1.60
180-968	Toslink to mini adapter	1.95	1.60
180-958	Right angle adapter	2.89	2.36

Digital Optical Selector Switch

Connects up to three optical components to one input. Switch easily between sources instead of disconnecting cables. Easy to use rotary switch with spring loaded locking mechanism.

#180-980 \$19.80 (1-3) \$18.50 (4-UP)

5.1 Channel USB Audio Converter

- Portable USB PC to optical home theater receiver connectivity
- Includes interVideo® WinDVD® 4 software
- Analog and optical digital audio output
- Works as a headphone amplifier
- Compatible with Dolby® Digital and DTS®

#180-962 \$49.99 LIST \$33.46 (1-9) \$31.79 (10-UP)

Digital Coaxial to Optical Toslink Bi-Directional Audio Converter

- Two-way conversion—Toslink to coaxial or coaxial to Toslink
- Supports 2-channel to 5-channel digital audio
- Extends transmit distance to a maximum of 10 meters
- Compact and easy to install

#180-996 . . . \$79.99 LIST \$49.21 EACH \$46.75 (2-UP)
