Surface Mount Keystone Boxes

- Works with Wired Home AV coupler modules
- Installs in seconds with snap in place cover
- Includes blank labels and clear label covers for quick ID

Simply snap your AV couplers and most 90° 8P8C jacks into the box, connect the cables and snap the cover onto the box. Mount the box in a convenient place with the included screws or double faced adhesive pads. Note: Due to the nature of the box, Wired Home 180° 8P8C jacks and 110 type video modules are not compatible.
