

# Parts & Accessories

## Connectors

*F-Conn's premier connectors are the fast, secure, and versatile wire termination solution.*

- No soldering
- Full 360° compression
- Can withstand more than 80 pounds of pullout force
- Radial design reduces impedance problems
- Internal "O" sealing rings prevent moisture migration

### Commercial Series Compression Connectors

F-Conn commercial grade broadband connectors meet the rugged demands of home and professional cabling use. Available in BNC, RCA male, and F versions to suit RG-6 and RG-6 cable. Sold in packs of 5.

| Part#   | Description                                | Price (1-4) | Price (5-UP) |
|---------|--|-------------|--------------|
| 092-600 | BNC connector for RGB 1 (24-26 ga.)        | \$15.20     | \$13.99      |
| 092-602 | BNC connector for RGB 15 (22-24 ga.)       | 15.20       | 13.99        |
| 092-604 | RCA male connector for RGB 1 (24-26 ga.)   | 14.77       | 13.60        |
| 092-606 | RCA male connector for RGB 15 (22-24 ga.)  | 14.77       | 13.60        |
| 092-614 | Universal F connector for RG-6             | 3.34        | 3.08         |
| 092-616 | Universal right angle F connector for RG-6 | 13.96       | 12.95        |
| 092-618 | Universal BNC connector for RG-6           | 14.45       | 13.30        |
| 092-620 | Universal RCA male connector for RG-6      | 8.61        | 7.94         |

### Gold Series Compression Connectors

The F-Conn Gold Series is designed specifically for the digital home theater market, bringing discriminating users excellent electrical performance and total reliability. Gold plating is carefully wedged to the proven F-Conn compression connector chassis, resulting in superior electrical properties backed up by bullet-proof durability. Sold in packs of 5.

| Part#   | Description                               | Price (1-4) | Price (5-UP) |
|---------|---|-------------|--------------|
| 092-622 | Gold BNC connector for RGB 1 (24-26 ga.)  | \$17.87     | \$16.45      |
| 092-624 | Gold BNC connector for RGB 15 (22-24 ga.) | 17.87       | 16.45        |
| 092-626 | Gold RCA connector for RGB 1 (24-26 ga.)  | 16.63       | 15.31        |
| 092-628 | Gold RCA connector for RGB 15 (22-24 ga.) | 16.63       | 15.31        |
| 092-636 | Universal Gold F connector for RG-6       | 7.71        | 7.09         |
| 092-638 | Universal Gold BNC connector for RG-6     | 17.58       | 16.18        |
| 092-640 | Universal Gold RCA connector for RG-6     | 11.75       | 10.83        |

### F-Conn Starter Kit

This starter kit is the perfect kit for any installer or DIY cable maker. It includes everything you need to get started immediately creating custom interconnects. The kit includes a universal cable stripper to strip RG-59, RG-6, RG-6 Quad, and Mini RGB cables, and the compression tool for all the F-Conn connectors. It also includes all of your connectors for RG-6 and Mini RGB. This kit not only does coax cable but also speaker cables as well—all the necessary connectors and tips for custom speaker cables are included! An entire set of color rings are included to provide proper home theater, industry standard, color coding for all your wiring. All components are housed in a sturdy plastic case.

#092-690 ..... \$250.00 EACH

### Professional Cable Strippers

Reduce time when stripping coax cable. These strippers have a patented cable stop for the correct 1/4" x 1/4" contact area required for coax connectors. Two stripper designs are available: one for RG-59 and RG-6 coax, and the other adds a mini coax (RGB) option. A spare cutting cartridge is included.

| Part #  | Description                            | Price (1-4) | Price (5-UP) |
|---------|--|-------------|--------------|
| 092-686 | Stripping tool for RG-59 and RG-6      | \$23.75     | \$21.76      |
| 092-688 | Stripping tool for RG-59, RG-6 and RGB | 28.29       | 25.56        |

### Speaker Cable Compression Kit

F-Conn's speaker cable compression kit is perfect for the custom installer or DIY user, and enhances audio performance by eliminating the age-old problem of loose wires that lead to poor sound quality and intermittent connections. These connectors fit 10, 12, 14, and 16 gauge cable and are based on the same universal platform as F-Conn's other proven compression connectors. Kit includes: 4 connector bodies, 12 inserts for different wire gauge sizes, 4 red identification rings, and 6 black identification rings. Individual banana, spade, and pin tips sold separately. Right angle speaker kit also available.

| Part#   | Description                       | Price (1-4) | Price (5-UP) |
|---------|-----------------------------------|-------------|--------------|
| 092-654 | Speaker connector kit             | \$9.52      | \$8.76       |
| 092-655 | Right angle speaker connector kit | 13.53       | 12.46        |
| 092-656 | Gold banana tip (each)            | 1.60        | 1.46         |
| 092-658 | Gold spade tip (each)             | 1.88        | 1.71         |
| 092-660 | Gold angled pin tip (each)        | 1.78        | 1.62         |

### Wall Plate System

F-Conn's patented system allows installers to build customized wall plates by using multiple versions of connectors, a variety of colored "O" rings, and colored insert clips. The same wall plate (sold separately) and insert can be used for every installation, the only difference is the connector used. F-Conn's connectors are available in commercial and also gold "home theater" versions—both feature a patented 360° compression ring that provides a true 360° grip on wire. Connectors are only compatible with F-Conn keystone inserts.

| Part #                                      | Description                    | Price (1-4)   | Price (5-UP)   |
|---|--------------------------------|---------------|----------------|
| <b>Connectors (5 per pack)</b>              |                                |               |                |
| 092-700                                     | Commercial BNC RGB (24-26 ga.) | \$13.75       | \$12.33        |
| 092-702                                     | Commercial BNC RGB (22-24 ga.) | 13.75         | 12.33          |
| 092-704                                     | Commercial RCA RGB (24-26 ga.) | 13.75         | 12.33          |
| 092-706                                     | Commercial RCA RGB (22-24 ga.) | 13.75         | 12.33          |
