Wire & Cable

Dayton Audio Microphone Cable

High quality, commercial grade microphone cable that's perfect for building custom cables! Features two 22 ga. center conductors (as opposed to 24 ga. found in many of the competition's cables) for a lower resistance and maximum signal transfer.

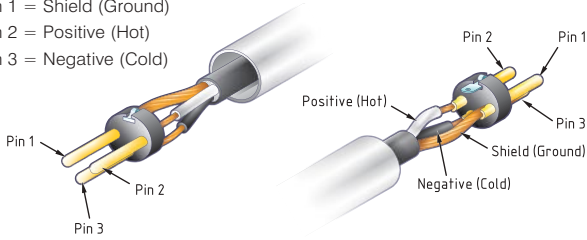

Specifications: • Conductors: 2 x 22 ga. (65 x 40 ga.) • Insulation colors: black and white • Shield: 92% coverage bare copper braid • Jacket: midnight blue PVC, 6.4 mm (.252") O.D. • 100% satisfaction guaranteed.

- #100-220 (Per ft.) **79¢/FT**
- #100-225 (100 ft. spool) \$69.99 LIST **\$55.70 EACH**
- #100-230 (500 ft. spool) \$339.99 LIST **\$267.00 EACH**
- #100-235 (1,000 ft. spool) \$639.99 LIST **\$499.00 EACH**

Dayton Audio Speaker Cable

Dayton Audio cable is designed from the ground up to guarantee the best possible transfer of signal from your amplifier to your speakers. It features high strand-count pure copper conductors, and durable PVC insulation and outer jacket. Available by the foot, as well as 30 m (99 ft.) and 100 m (328 ft.) spools.

2 x 13 ga. specifications: • Conductors: 2 x 13 ga. (50 x 30 ga.) • Insulation colors: black and red • Jacket: Black PVC, 8.0 mm (.315") O.D.

- #100-482 (Per ft.) **98¢/FT**
- #100-481 (30 m spool) \$69.99 LIST **\$56.91 EACH**
- #100-480 (100 m spool) \$219.99 LIST **\$169.13 EACH**

4 x 13 ga. specifications: • Conductors: 4 x 13 ga. (50 x 30 ga.) • Insulation colors: blue, yellow, black, and red • Jacket: Black PVC, 12.0 mm (.472") O.D.

- #100-485 (Per ft.) **\$2.10/FT**
- #100-484 (30 m spool) \$141.99 LIST **\$108.56 EACH**
- #100-483 (100 m spool) \$455.99 LIST **\$378.67 EACH**

4 x 11 ga. specifications: • Conductors: 4 x 11 ga. (52 x 28 ga.) • Insulation colors: blue, yellow, black, and red • Jacket: Black PVC, 15.0 mm (.591") O.D.

- #100-488 (Per ft.) **\$2.81/FT**
- #100-487 (30 m spool) \$205.99 LIST **\$163.26 EACH**
- #100-486 (100 m spool) \$649.99 LIST **\$499.81 EACH**

8 x 13 ga. specifications: • Conductors: 8 x 13 ga. (50 x 30 ga.) • Insulation colors: brown, green, white, gray, blue, yellow, black, and red • Jacket: Black PVC, 14.0 mm (.551") O.D.

- #100-491 (Per ft.) **\$3.96/FT**
- #100-490 (30 m spool) \$275.99 LIST **\$230.20 EACH**
- #100-489 (100 m spool) \$835.99 LIST **\$713.20 EACH**

Guitar, Instrument & Signal Cable

Low noise guitar, instrument and signal wire that's ideal for building custom 1/4" guitar, bass, and patch bay cables, RCA interconnects, and many other unbalanced signal applications! Features a 20 gauge stranded copper center conductor, a 100% coverage extruded barrier PVC shield, a spiral wound copper shield and a black PVC outer jacket.

Specifications: • Conductors: 1 x 20 ga. (26 x 34 ga.) • Shield: Spiral wound copper (42 x 36 ga.) • Jacket: Black PVC, 6.2 mm (.244") O.D.

- #100-260 (Per ft.) **56¢/FT**
- #100-262 (100 ft. spool) **\$42.43 (1-3) \$37.91 (4-UP)**
- #100-268 (1,000 ft. spool) **\$194.42 EACH**

Low Noise Microphone Cable

High quality, low noise microphone cable that's perfect for building custom XLR, RCA, or 1/4" TRS cables! Super durable, yet flexible black PVC outer jacket.

Specifications: • Conductors: 2 x 22 ga. (25 x 36 ga.) • Insulation colors: blue and white • Shield: Tinned copper braid • Jacket: Black PVC, 6.0 mm (.236") O.D.

- #100-280 (Per ft.) **45¢/FT**
- #100-282 (100 ft. spool) **\$34.77 (1-3) \$32.40 (4-UP)**
- #100-288 (1,000 ft. spool) **\$282.84 EACH**

Guitar, Instrument & Signal Cable

These professional grade guitar and instrument cables were designed to withstand the rigors of on-road touring. Each cable features a 20 gauge stranded center conductor and a 100% coverage extruded barrier PVC shield plus a spiral wound copper shield. #100-290 uses a 55% coverage spiral copper shield, while the #100-295 uses a 90% coverage spiral copper shield that is virtually noise and hum free! Available in custom lengths by the foot and in 100 ft. spools.

| Part # | Description | O.D. | Price (10-99 Ft.) | Price (100-UP Ft.) |
|---------|--------------------------|---------------|-------------------|--------------------|
| 100-290 | 55% copper shield, 1 ft. | .235"/6 mm | \$.69 | \$.64 |
| 100-295 | 90% copper shield, 1 ft. | .285"/7.25 mm | .89 | .83 |

Minimum order 10 ft. Buy it by the spool and save!

| Part # | Description | O.D. | Price Each |
|---------|----------------------------------|---------------|------------|
| 100-292 | 55% copper shield, 100 ft. spool | .235"/6 mm | \$57.57 |
| 100-297 | 90% copper shield, 100 ft. spool | .285"/7.25 mm | 69.75 |

Bulk Snake Cable

Build your own custom snakes or use for permanent recording studio construction. Helix multipair cable is made in the USA and is UL approved (CL-2). Each channel is 24 AWG twisted pair wires with a 100% spiral wrapped foil shield and polypropylene insulation. The extra thick matte black PVC outer jacket provides better protection than off-the-shelf multipair cables.

| Part # | Channels | O.D. | Price (10-99 Ft.) | Price (100-UP Ft.) | Price (500-UP Ft.) |
|---------|----------|-------|-------------------|--------------------|--------------------|
| 100-620 | 8 | .375" | \$1.87 | \$1.72 | \$1.67 |
| 100-622 | 12 | .50" | 2.88 | 2.48 | 2.31 |

Minimum order 10 ft.

Pre-Cut Bulk Snake Cable

| Part # | Channels | Length | List Price | Price Each |
|---------|----------|---------|------------|------------|
| 100-630 | 8 | 25 ft. | \$69.99 | \$50.00 |
| 100-632 | 8 | 50 ft. | 129.99 | 99.00 |
| 100-634 | 8 | 100 ft. | 249.99 | 168.00 |
| 100-635 | 12 | 25 ft. | 99.99 | 69.00 |
| 100-637 | 12 | 50 ft. | 189.99 | 136.00 |
| 100-639 | 12 | 100 ft. | 359.99 | 229.00 |
