

Speaker Building

Cabinets & Cabinet Covering

Dayton Audio Speaker Cabinets

- Solid construction and furniture-quality exteriors
- Straight-sided and curved-sided versions
- Choice of cherry, maple, and polished black lacquer finishes
- New magnetic grill fasteners
- Complete with baffle, hardware, and grill

Create a loudspeaker without investing the time and money building from scratch! Each cabinet is constructed from dense 3/4" MDF, reinforced by an extensive "shelf" brace. The baffle is 1" MDF with a black satin finish and rabbeted edges. Two 1/4" holes on the rear panel facilitate the installation of Dayton Audio knock-in binding posts.

Dayton Audio's exclusive **Baffle Replacement** and **EXchange (B-REX)** system allows easy removal of the baffle for prototyping and construction. Additional blank baffles and grills are available separately. The **B-REX** system's versatility is unmatched by any other pre-finished cabinet!

Straight-Sided Cabinets

Dayton Audio SWC Series Subwoofer Cabinets

The new SWC Series sub boxes offer the ultimate combination of versatility and value!

NEW

All SWC cabinets use the Dayton Audio B-REX removable/replaceable baffle exchange system. The 1" thick MDF blank baffles are custom-cut by the user to fit a given driver and amplifier, and are then fastened securely (permanently or not) into the rigid, 3/4" MDF enclosure.

Finishes match the popular Dayton Audio speaker cabinets—polished gloss black lacquer, and lush natural cherry or maple hardwood. A new high-value textured black vinyl covering is available for projects that demand a more understated appearance while enjoying the benefit of greatly reduced cost.

Each enclosure includes two black satin finish baffles (one each, front and back) with mounting hardware, a magnetically attached grill, and four rubber feet fastened by 6 mm barbed inserts. The barbed inserts are compatible with Dayton Audio cone spikes, available separately.

Part #	Model #	Cabinet Finish	Net Vol. (Cu. Ft.)	External Dim. (H x W x D)	Price Each
302-836	SWC1BK	Gloss black	1.0	14" x 14" x 12-7/8"	\$139.48
