260-914	Bose 301	8"	21.90	18.95
260-384	Bose 901 dust cap	1-1/8"	.59	.41

Foam Surround Repair Kit For Advent Woofers

Use this foam surround kit to repair the extremely popular Advent woofers of the early to mid 1970s. The 9-1/2" and 12" woofers feature a pincushion style basket with a fiberboard ring (see 12" pictured above). The 9" and 10" woofers use a standard round stamped basket and do not have a fiberboard ring. Each kit contains supplies to repair two speakers and includes two foam surrounds, six plastic shims, two dust caps, 1 oz. of specially formulated adhesive, 5 foam swabs for application of glue, and complete repair instructions.

Part #	Size	Price (1-3)	Price (4-UP)
260-948	9"	\$24.14	\$20.92
260-950	9-1/2" (w/ fiber ring)	24.66	22.50
260-953	10" (steel frame)	23.92	20.73
260-955	12" (w/ fiber ring)	26.42	24.15

260-385	5" polymer cap	12" to 18"	2.60	2.25

The Wet Look™

New Size!

The Wet Look™ is a new generation of high gloss polymers formulated especially for the speaker industry. This superior coating provides a protective "coat of armor" for your paper cone speakers. The Wet Look™ makes paper cones resistant to water, humidity, sun, and salt. Best of all, it's easy to apply and cleans up with soap and water. Available in 1 pint & 4 oz. bottles.

Part #	Description	Price (1-3)	Price (4-UP)
340-511	4 oz. Wet Look, Clear	\$ 5.90	\$ 4.85
340-513	4 oz. Wet Look, Black	5.90	4.85
340-510	1 pint Wet Look, Clear	14.80	12.95
340-512	1 pint Wet Look, Black	14.80	12.95
