Case & Cabinet Hardware

Rubber Cabinet Feet

Penn-Elcom's heavy-duty rubber feet offer a sure grip on all types of surfaces. Ideal for large rack cabinets, transport cases, or speaker cabinets. The integral metal washer (except 260-772) in the mounting hole helps prevent mounting screw "break-through" and adds overall durability. Mounting hardware not included. Sold individually.

Part #	Mfg.#	Description	Price (1-9)	Price (10-UP)

- #262-315 **\$8.55** (1-9) **\$7.86** (10-49) **\$7.30** (50-UP)
- #262-317 (Optional backplate) **\$3.23** (1-9) **\$2.94** (10-UP)

Dayton Audio Angled Metal Input Dish

A great input dish for serious pro sound speaker cabinets! Powder coated and formed steel shell is punched and drilled for dual "D" style connectors, including Neutrik Speakon® NL4MP. Takes the strain off of heavy cables by improving the angle of the connection; also permits near-zero clearance when using speakers near walls and other vertical surfaces. Dimensions: 5-1/2" W x 6-3/4" H x 2-1/4" D. Cutout dimensions: 4-1/4" W x 5-1/4" H. Mfg. #MD132.

- #262-838 **\$8.99** LIST **\$6.72** (1-9) **\$6.11** (10-UP)
