

1/4" Guitar & Instrument Cables

Don't let the low prices fool you. These guitar cables are full of the quality features you'd expect from Dayton Audio! The cable construction features a 20 gauge stranded copper center conductor, 100% extruded barrier PVC shield, spiral wound copper shield, and black PVCouter jacket. The ends are finished with Dayton's heavy-duty 1/4" machined brass phone plugs with nickel finish.

Two versions are available; one with two straight 1/4" plugs and heat shrink reinforcement, and a series with one straight 1/4" and one right-angle 1/4" plug.

Straight 1/4" plugs at both ends, plus heat shrink:

Part #	Mfg. #	Length	List Price	Price (1-3)	Price (4-UP)
241-320	CGQ-1	1 ft.	\$11.99	\$8.72	\$8.30
241-322	CGQ-3	3 ft.	12.99	9.50	9.05
241-324	CGQ-5	5 ft.	13.99	10.55	10.05
241-326	CGQ-10	10 ft.	16.99	12.99	12.38
241-328	CGQ-20	20 ft.	23.99	17.96	17.10
241-330	CGQ-30	30 ft.	29.99	22.79	21.70

One straight 1/4" plug and one right-angle 1/4" plug at each end:

Part #	Mfg. #	Length	List Price	Price (1-3)	Price (4-UP)
241-321	CGQ-1R	1 ft.	\$13.99	\$10.55	\$10.05
241-323	CGQ-3R	3 ft.	14.99	11.45	10.90

Dayton Audio Cables

Superb performance at a great price!

16 AWG Speaker Cables

At prices like this, why build them yourself? Superb quality heavy-duty 1/4" to 1/4", amp-to-cabinet speaker cables feature 16-gauge, twisted pair construction, and rugged, yet flexible, round PVC outer jacket. Cable O.D.: 6.5 mm.

1/4" to 1/4" speaker cables:

Part #	Mfg. #	Length	List Price	Price (1-3)	Price (4-UP)
241-310	S16-2Q-3	3 ft.	\$11.99	\$8.93	\$8.51
241-312	S16-2Q-10	10 ft.	15.99	12.15	11.58
241-314	S16-2Q-25	25 ft.	25.99	19.50	18.58
241-316	S16-2Q-50	50 ft.	33.99	25.86	24.63
241-318	S16-2Q-100	100 ft.	61.99	47.39	45.13

12 AWG Speaker Cables

These heavy-duty speaker cables send the power where you need it, even in the most severe environments. The 12-gauge, 2-conductor speaker cable terminated with two Dayton Big Fatty™ 1/4" machined brass phone plugs is a perfect combination for many applications. Also available are cables with one Big Fatty™ 1/4" and a dual banana plug to permit connection directly to power amp binding posts. Twisted pair construction in a rugged, yet flexible, round PVC outer jacket. Cable O.D.: 9.5 mm.

1/4" to 1/4" speaker cables:

Part #	Mfg. #	Length	List Price	Price (1-3)	Price (4-UP)
