

StreetWires Power Station Capacitors

StreetWires Power Station Capacitors are constructed using the highest quality materials available.

Advanced manufacturing techniques assure our caps will have the lowest E.S.R. and E.S.L. ratings achievable. Digital display models offer advanced features such as current sensing activation and shut down, multiple display modes, audible warnings and machined terminal posts.

Part #	Mfg. #	Description	List Price	Price Each
268-420	PSC401	1 Farad, 16/20 Volt	\$99.99	\$79.89
268-422	PSC401D	1 Farad, 16/20 Volt w/ Digital Display	149.99	119.89

StreetWires Fused Battery Clamp

- Battery terminal and fuse all in one device
- Built-in AFS style fuse holder

StreetWires battery clamps are machined from forged brass and utilize an advanced clamping technique to assure connection integrity. Features one fused PowerRing® output connection and one non-fused 4 AWG output via compression screw. Includes red (+) polarity marking and impact resistant cover. Mfg. #BC2PF.

#263-624 \$39.99 LIST **\$29.89** EACH

StreetWires In-Line ANL Wafer Fuse Holders

- High-amperage wafer fuseholder provides the ultimate in protection
- Three-stage watertight system utilizes four O-rings for a perfect waterproof seal
- Impact-resistant clear housing protects fuse while allowing easy fuse inspection
- Diamond plate finish with gold detail
- For use with ANL wafer fuses (sold separately)

#263-618 (FHXL4 - 4 AWG) \$49.99 LIST **\$39.89** EACH
 #263-617 (FHXL0 - 1/0 AWG) \$49.99 LIST **\$39.89** EACH

StreetWires In-Line AGU Fuse Holders

Unlike many other AGU fuse holders, the StreetWires three stage watertight system really is waterproof!

- Exclusive Super Grip fuse holder design features significantly less voltage loss and heat build-up
- Impact-resistant clear housing protects fuse while allowing easy fuse inspection
- Diamond plate finish with gold detail
- For use with AGU fuses (sold separately)

#263-621 (FHXL8 - 8 AWG) \$14.99 LIST **\$9.89** EACH

StreetWires Firewall Bushings

- Allows for a water tight seal when power wires pass through metal
- Locks securely as bushing is tightened
- Sold individually

#263-635 (FB0-1/0 AWG)
 #263-636 (FB4-4 AWG)
 #263-637 (FB8-8 AWG) \$9.99 LIST **\$6.89** EACH

Cobra Microport 130 Watt Power Inverter

Convert your vehicle's cigarette lighter or 12V accessory port into a 120 VAC household electrical outlet!

- 130 watts continuous power, 260 watts surge
- 5V USB port and single AC outlet
- Direct plug-in design with swivel arm
- Ideal for video games, mobile phones, portable DVDs/music, and laptops
- Mfg. #CPI 130

#125-330 \$39.95 LIST **\$24.99** EACH

Cobra Microport 200 Watt Power Inverter

- 200 watts continuous power, 400 watts peak power
- 5V USB port and single AC outlet
- Ideal for video games, mobile phones and laptops
- Compact size and cup holder design make it great for travelers
- Mfg. #CPI 200 CH

#125-335 \$39.95 LIST **\$29.95** EACH

Car Charger for iPhone® 3G, Touch®, 4th Gen. iPod®

Keep your iPhone 3G, second generation Touch, or fourth generation iPod charged on the go with this cigarette lighter adapter car charger. High-impact plastic makes this car charger durable, while the coiled 30" connection cable minimizes clutter and kinks.

Note: Designed to only work with 3G iPhone, 2nd generation Touch, and 4th generation iPods.

#181-180 \$9.99 LIST **\$4.76** EACH

Car Charger for 2nd Generation iPod® Shuffle

- Charges your iPod Shuffle while you drive
- Vehicle battery protection

Charge your iPod Shuffle while you drive with this 12-volt car charger. The compact design features easy operation while connecting to your 12-volt accessory/cigarette lighter jack and an LED power indicator shows connection status.

#181-110 \$5.99 LIST **\$3.66** (1-3) **\$3.32** (4-UP)

USB and Firewire Cigarette Lighter Adapter

- Use your vehicle's battery to charge computer devices and MP3 players
- Provides power to both FireWire and USB enabled devices
- Universal design fits all cigarette lighter outlets

Many computer accessories use an IEEE 1394 FireWire or USB connection for charging the internal battery. With this cigarette lighter adapter you can charge your digital camera, PDA, mobile phone, MP3 player with your vehicle's battery.

Note: Please remove the adapter from the cigarette lighter outlet when not in use. Failure to do so may result in battery drain, even with the vehicle ignition switched to off.

#125-360 \$24.99 LIST **\$9.97** (1-3) **\$9.47** (4-UP)
