## Alarm Accessories

### Omega REC-12 Deluxe Remote Keyless Entry System

- Includes two newly-designed OEM-style 4-button transmitters with pictograph buttons
- Comprehensive array of programmable features
- Built-in flashing parking light and dome light relays
- Auxiliary outputs
- Domelight supervision
- Starter interrupt

The REC-12 is a fully-featured and easily expandable keyless entry system with lock, two unlocks (for driver's door priority), trunk and 3rd channel outputs. This unit has flashing parking light and dome light relays built-in and remote panic feature. Included is Omega's standard 5-pin main harness, secondary flashing light and base door lock output harnesses. The REC-12 also includes a Blue Status Indicator Light, and plug-in Valet Switch. A comprehensive array of programmable options offers great flexibility and customization. Not included with this model, but within its capabilities, is multi-car operation.

#330-535 ..... \$89.95 LIST **\$49.00** EACH

### Omega Door Lock Actuators

These actuators provide motion to the door lock plungers in vehicle door panels allowing the conversion of manual door locks to electric lock systems. 2 wire reverse polarity operation. Universal mounting kit included. #330-582 is smaller and more compact to fit into the tighter door panels of import and small domestic vehicles.

#330-580 (Gun style) ..... **\$9.90** (1-5) **\$8.75** (6-UP)

#330-582 (Square style) ..... **\$10.70** (1-5) **\$9.85** (6-UP)

### "The Disc" Automotive Wiring Guide, CD-ROM

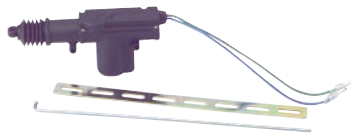

Omega's research and development team has compiled the most up to date collection of wiring information today. For those of you familiar with the popular "The Book" series, this CD contains all the information from "The Book-3" through "The Book-6" and covers thousands of vehicles from 1978-2000, including the 2001 PT Cruiser. Wiring colors, circuit types, and locations are identified to assist in the installation of vehicle security systems, power door lock interfaces, power window roll-up modules and remote starting units. A must have reference for the professional installer. Version 1.00. Mac and PC compatible.

#510-500 ..... **\$54.65** EACH

### High-Torque Door Lock Actuator

This motor driven actuator can be installed to add power door lock systems to most vehicles. Simple 2-wire hook-up for easy installation. 0.75" travel. Reverse polarity to push/pull.

#330-010 ..... \$12.99 LIST **\$5.50** (1-3) **\$4.90** (4-UP)

### High-Torque Trunk Release Module

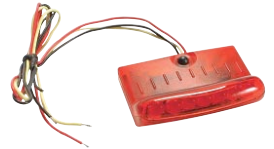

Will add a remote power release to manual and cable type trunks or hatchbacks. Includes all hardware and momentary switch.

#330-120 ..... \$29.99 LIST **\$19.50** (1-3) **\$17.48** (4-UP)

### LED Scanners

Far superior to a single LED in warning potential thieves that your vehicle is alarmed, LED scanners let everybody know that you're protected. You can adjust the seven LEDs to display 5 different patterns with variable speeds. Mounts using double-sided tape and requires a simple 3-wire hookup (ignition, power and ground) to function either as a stand-alone unit or as part of your security system.

#330-606 (Red) ..... **\$14.88** (1-9) **\$11.78** (10-UP)

#330-608 (Blue) ..... **\$14.88** (1-9) **\$11.78** (10-UP)

### Power Window Roll-Up Module

This power window module will close two electrically operated windows at the same time when the alarm is armed.

#330-125 ..... \$29.99 LIST **\$19.50** (1-5) **\$18.45** (6-UP)

### Receiver Module

This versatile receiver module can be used as a stand alone unit with its own transmitter, or can be used with 310 MHz alarm systems. Some of its uses include opening/closing garage doors, lock/unlocking electric door locks, unlocking a vehicle's electric trunk, and more. Includes 2 transmitters.

#330-145 ..... \$59.99 LIST **\$39.95** EACH

### Power Door Lock Kit

Compatible with most security systems

With this kit you can install powerdoor locks in virtually any vehicle. For use with 2 or 4 door vehicles, this power door lock system is easy to install and includes one 5-wire actuator for driver's door priority lock/unlock and three 2-wire actuators for the remainder of the doors, wiring harness, actuator control module and wiring instructions. Compatible with most auto security and keyless entry systems.

#330-013 ..... \$69.99 LIST **\$43.98** EACH

### 12 VDC Weather Resistant Siren

Super Loud 120 dB!

Heavy duty outdoor dual tone siren. 400-2,000 Hz sweep cycle. 30 watt, 115-120 dB at 1 meter. 6-12VDC operation. 1.25 amp max current draw. High impact ABS construction. 4-5/8" x 7-7/8" x 9-3/8" D.

#260-062 ..... **\$19.50** (1-3) **\$18.90** (4-UP)

### Multi-Tone Siren

6-tone, 120 dB siren. Compatible with most alarm systems. Tones change every 5-6 seconds for easy identification of your vehicle.

#330-090 ..... **\$13.90** (1-3) **\$12.50** (4-UP)

### Alarm Pin Switches

Alarm pin switches, N/C for hood, trunk, or door use. Accepts .156" male bullet connector.
