

Peavey® Messenger Compact Portable PA System

- Complete "Super Portable" PA system
- Two speakers, each with two 4" woofers and one 1" tweeter
- 100 watt 5 channel mixer/amplifier
- PV® 100 microphone
- XLR microphone cable
- Two 15 ft. speaker cables
- Storage space for mic and cables
- Lid lifts up to be used as a lectern
- 5-band EQ with FLS® (Feedback Locating System)

The Peavey Messenger® is a complete, portable sound system designed with the compact size and carry-on convenience of a briefcase. At just over 24" wide, the Messenger is portable enough for business travelers, and since it is completely self contained and sets up in seconds, it's perhaps the one thing you can rely on during those long trips. The Messenger's robust five-channel mixer and 100 watt output make it ideal for an endless array of applications, from office presentations and meetings to karaoke and open-mic performances. Its top lid also functions as a lectern to hold your meeting notes or song lyrics. Dimensions: 24.25" W x 6.25" H x 13.75" D.

Peavey PR® Series Speaker Systems

- 2-way sound reinforcement enclosure for DJs, live music, or speech
- Heavy duty 10", 12", or 15" woofer—now with neodymium magnet
- RX™ 14 compression driver with 1.4" titanium diaphragm, 1" exit
- 90° x 40° constant directivity horn
- Tweeter protection and heavy-duty crossover
- Molded-in pole mount system and heavy-duty metal grill
- Top and bottom flying point inserts
- 400 watts program/800 watts peak power rating

The PR® Series speakers deliver superior sound quality by utilizing advanced materials, starting with lightweight, roadworthy molded polypropylene exteriors. These systems can be used on the floor, be pole mounted, or flown via integrated flying points. Connections are made via two 1/4" phone jacks connected in parallel to accommodate daisy-chaining.

Part #	Mfg. #	Freq. Resp. (-10 dB)	SPL (1W/1m)	Dimensions (H x W x D)	Weight (lbs.)	List Price	Price Each
