

WARRANTY

Hypex Electronics B.V. offers the following warranty periods for products sold through Hypex Direct:

| Purchase Type | Warranty Period |
|---|-------------------------------|
| Business-to-Consumer (B2C) | 2 years from date of purchase |
| Seperate Nilai® Modules and Nilai® Kits | 5 years or 20,000 hours |

The warranty covers only defects that affect the function of the product. It does not cover normal wear, damage caused by accidents, misuse, or unauthorized modifications.

Any attempt to disassemble, change, or wrongly handle the product or its accessories will void the warranty.

For warranty claims, please contact support@hypex.nl and include a description of the problem along with proof of purchase or fill in the form: [RMA request](#).
